Subject: Understanding your unaddressed business needs ahead of our discussion

Dear Joe,

I hope you are doing well.

We appreciate your time and effort to provide your valuable feedback regarding your experience. Ahead of our meeting I'd like to know more about the services you use and the problems you are facing to identify any areas where your needs may not be fully addressed. Your responses will help us assess whether an existing Citi product/service is suitable or whether a new product/service may be required.

Please find a short questionnaire below. We appreciate your time and look forward to discussing this in more detail.

Overview

1. Could you briefly describe your business and the industry you operate in?
2. How long has your business been operating?
3. What are the primary markets or regions you currently operate in?
4. What are your main concerns or business needs?
5. What Citi services/products do you use and problems encountered, if any? (e.g., payments, lending, cash management, trade finance, FX, digital platforms)
6. How well do these products currently support your day-to-day business operations?
☐ Very well ☐ Adequately ☐ Somewhat ☐ Poorly

Unaddressed Business Needs

1. What specific business needs do you feel are not being adequately met at present?
2. Are there any operational challenges you face related to payments, liquidity, financing, or reporting?

Growth Plans and Future Needs

1. What are your key business growth plans over the next 1–3 years?
2. Do you anticipate increased needs in any of the following areas?
☐ Working capital
☐ Cross-border transactions
☐ Digital banking solutions
☐ Risk management / FX hedging
☐ Trade and supply chain finance
3. Are there any upcoming changes (e.g., expansion, acquisitions, new markets) that may impact your requirements?

Product Expectations

1. What features or capabilities would you ideally like to see in a banking solution to better support your business?
2. How important are customization, automation, and real-time reporting to your operations?

Additional Feedback

Is there anything else you would like Citi to improve or consider when supporting your business? Please elaborate.

Thank you for your time and valuable insights. Please feel free to share as much detail as you are comfortable with. We look forward to our discussion and to continuing to support your business effectively.

Kind regards,

Samantha

Product Manager,

Citi Treasury and Trade Solutions
